Rubrik Security Cloud™

Secure your data, wherever it lives, across enterprise, cloud, and SaaS
Data Protection

Keep your data readily available

Withstand cyberattacks, malicious insiders, and operational disruptions with air-gapped, immutable, access-controlled backups.

Intelligent Data Lock

Logical Air Gap

Retention Lock

Encryption Everywhere

Access Control at Every Level

Immutable by Design

Data Threat Analytics

Monitor data risk and investigate faster

Continuously monitor for threats to your data, including ransomware, data destruction, and indicators of compromise.

46GB Suspicious Data
654GB Deleted Data
2.13TB Added Data
327GB Modified Data

Ruby

Your Generative AI Companion for Data Security

Get notified of cyber threats and follow step-by-step guidance through an integrated and interactive chat interface.

Ruby helps you learn more about the threat, allows you to launch actions such as searching for indicators of compromise and sensitive data exposure, and provides recommendations for quarantining and recovering the infected data.
